Audit Committee Charter

Purpose and Authority

It is the policy of this Company to have an Audit Committee (the “**Committee**”) of the Board of Directors to assist the Board in its oversight of (1) the integrity of the Company’s financial statements, (2) the independent auditor’s qualifications and independence and (3) the performance of the Company’s internal audit function and independent auditors, (4) the key elements of the Company’s capital structure, and (5) together with the Company’s Enterprise Risk Committee, compliance with legal and regulatory requirements. In addition, the Committee shall prepare a report as required by the Securities and Exchange Commission (the “**SEC**”) to be included in the Company’s annual proxy statement. The Committee shall also have all authority necessary to fulfill the duties and responsibilities assigned to the Committee in this Charter or otherwise assigned to it by the Board.

As the Committee deems appropriate, it may engage independent counsel, accounting and other advisors to assist the Committee without seeking Board approval. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to such counsel and advisors engaged by the Committee pursuant to the preceding sentence.

The Committee when appropriate may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Committee.

Composition, Role and Independence, Meetings

The membership of the Committee shall consist of at least three directors. In the business judgment of the Board, each member shall be financially literate, or shall become financially literate within a reasonable time after appointment. At least one member, in the judgment of the Board, shall have such accounting or related financial management expertise in order to meet the criteria for an “audit committee financial expert” as defined by the SEC. Each member shall meet the independence requirements applicable to audit committee members established by the Board, the SEC and the New York Stock Exchange (“**NYSE**”), as the same may be amended or supplemented from time to time. The Committee shall maintain free and open communication (including separate private executive sessions at least annually) with the independent accountants, the internal auditors and the management of the Company. In discharging this oversight role, the Committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose.

No member of the Committee shall serve on more than two audit committees of publicly traded companies, other than the Company, at the same time such member serves on this Committee, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on this Committee. If a Committee member serves on the audit committees of both a public company and a wholly owned subsidiary of such company, such service shall be counted as service on one audit committee, rather than two.

The members of the Committee shall be appointed by the Board on the recommendation of the Nominating & Corporate Governance Committee. The Board may remove any member from the Committee. The Board of Directors shall appoint one member of the Audit Committee as chairperson. He or she shall be responsible for leadership of the Committee, including preparing the agenda, presiding over the meetings, making committee assignments and reporting to the Board of Directors. The chairperson will also maintain regular liaison with the CEO, CFO, the director of internal audit, and the lead independent audit partner.

The Committee shall establish a meeting calendar annually. The Committee may hold such other meetings as are necessary or appropriate in order for the Committee to fulfill its responsibilities. In the absence of a member designated by the Board to serve as chair, the members of the Committee may appoint from among their number a person to preside at their meetings.
